Abortion Recovery InterNational
5319 University Drive #252
Irvine, CA 92612

Dear Stacy:

Rachel's Vineyard Ministries is an enthusiastic supporter of Abortion Recovery InterNational (ARIN)!

Abortion Recovery InterNational draws together the rich lineage of many excellent ministries that are at the service of Christ in healing our culture. ARIN is a desperately needed and important project which provides an excellent resource to access information for referral, services and programs for those who have suffered the loss of a child through abortion and seek a safe and loving place to heal.

We share in your mission to extend hope to those who are suffering from the effects of abortion throughout the world. We also envision how education and support can result in a greater respect for God's gift of life in society as a whole.

Sincerely,

Theresa Burke, PhD LPC NCP
Rachel's Vineyard Ministries, Founder
